Dear sir/madam,
I solved the grand unified theory, the Wow signal is a short message in mathematics as you know. In the hydrogen spectrum.

- $6 = 6$
- $E = 14$
- $Q = 26$
- $U = 30$
- $J = 18$
- $5 = 5$

“We are here. We are coherent. Our dimension is 6.”

To understand and answer you need the maths...

Send a burst with
6J13A4
encoded in signal.

Its a invitation.
I.bet you get a reply.

They are searching for intelligent life like we are...

Regards
Peter Thompson.
