Dear Sir/Madam CEO's,

This email is to formally inform you that I Peter Thompson have all rights in the fields of both superconductors and new technology gamma wave hardened Joseph Junctions as well as CPS.

You can all spend billions on research and development of my copyright, prior art, intellectual property, porosity etc in which I will take legal action or request licences or this technology.

the fact my work proves steven hawking's $M^+ M^- + 0$ theory is correct and working prototypes have been built is a bonus for me.

My work can be found at <https://github.com/peterjamesthompson101-svg/The-Grand-Unified-Field-Theory/tree/Superconductors-%26-CPUs>

All Papers can be found here: <https://github.com/peterjamesthompson101-svg/Physics-Papers>

regards

Peter Thompson.
